## HOROSCOPE

**For Friday, Feb. 18**

**ARIES** (March 21 to April 19) You feel like a kid again — enough to run through the grass shrieking wildly about nothing in particular.

**TAURUS** (April 20 to May 20) You might be a little too much for others to handle at the moment.

**GEMINI** (May 21 to June 20) If you manage to find a group of people who think the way you do, this might be a tremendously productive time.

**CANCER** (June 21 to July 22) If you are going to make an extravagant purchase, try to choose something that will last for a while.

**LEO** (July 23 to Aug. 22) The best of life and love is yours for the asking.

**VIRGO** (Aug. 23 to Sept. 22) Although you may know that your motives for doing something are only the best, someone else might think you have ulterior motives.

**LIBRA** (Sept. 23 to Oct. 22) Don't worry about details, specifics or staying within the lines.

**SCORPIO** (Oct. 23 to Nov. 21) You are under too much strain right now; the best way to manage it is by keeping a low profile.

**SAGITTARIUS** (Nov. 22 to Dec. 21) It's OK if you allow a semi-permanent smile to grace your face right now.

**CAPRICORN** (Dec. 22 to Jan. 19) Whatever paranoid thoughts you have about the workplace are likely to be close to the truth right now.

**AQUARIUS** (Jan. 20 to Feb. 18) Adherence to your beliefs both impresses and frustrates your peers.

**PISCES** (Feb. 19 to March 20) You might earn some high praise and respect when you refuse to get involved in a battle at work.
